

## HEALTH & SAFETY POLICY

Blakeleys Waste Management Ltd (BWM) strives to achieve the highest possible standards to ensure a safe and healthy work environment and be a leader in its business of collecting and recycling commercial hazardous and non hazardous waste.

BWM is committed to ensuring it complies with all OH&S legislation, regulations and any other requirements to which it may subscribe when conducting business activities.

BWM has an established Safety Management System which ensures by regular review that it remains relevant and appropriate to the organisations activities. It is the responsibility of all employees, contractors and subcontractors to comply with any safe work practices/procedures relevant to their activities.

The OH&S policy is communicated to all BWM employees, visitors, suppliers, subcontractors and is available to all other interested parties.

BWM ensures that all employees are trained and competent to carry out their duties safely. Safety objectives and targets are established and monitored. These are reviewed regularly to drive continual improvement.
